## Variation 3 Section 42A Report Submissions Categorisation of Issues

**Notes:**

**'WW'** = concerns about the environmental effects of on-site wastewater

**'Traffic'** = concerns about the impact of traffic generated by the proposed development

**'3 Waters'** = concerns about how stormwater, wastewater and drinking-water (including for firefighting) would be managed by the proposed development

**AEE** = concerns about the scope, the accuracy and insufficient detail of the Assessments of Environmental Effects that support the proposal
