## **Notice of road closure to repair the dropout on Colville Road, north of Coromandel Town**

We'd like you to be aware that work to repair the 15 metre dropout and restore the road to two full lanes on Colville Road, between Papa Aroha and Amodeo Bay, is scheduled to start from Monday 12 July. It's expected works will take about seven weeks to complete (weather dependent).

The size of machinery needed to repair the road for such a high dropout means we can't keep the road open to one lane. To complete the repairs in a safe and timely manner, the road will be closed throughout the day to allow our contractors to complete the repairs. The road will be open to let traffic through during set times below.

### **Set times:**

- **7am to 8am – road closed**
- 8am to 8.30am - road open
- **8:30 am – 12:30pm – road closed**
- 12.30pm to 1pm - road open
- **1pm – 3:15pm – road closed**
- 3.15pm to 3.45pm - road open
- **3:45pm – 5pm – road closed**
- After 5pm through to 7am the next morning – road open

The road closures will only be in place during weekdays (Monday – Friday) from Monday 12 July. A contingency plan is in place to allow emergency service vehicles through if needed.

Thames-Coromandel District Council and Pinnacles Civil apologise for any inconvenience this may cause and every effort will be made to restore the road to two full lanes as soon as possible.
